## SPRING Break

Parents, Spring Break is April 1 - April 5th. The weeks prior to that in March are state standardized testing. PLEASE DO NOT SCHEDULE VACATIONS IN MARCH.

## Headphones

Lincoln Middle School included headphones on the supply list for students this school year. The goal was for headphones to be used when students work on computer based math and reading programs. However, we have large numbers of students wearing them in class while listening to music when the teacher is talking. To combat this problem, we will handle headphones the same way we handle cell phones. If we ask a student once to remove them, we will take the headphones and give them back at the end of the day. If we see them again, a parent/guardian will be required to come get them. We will not release them to the student if they are taken a 2nd time.

## Unity Poster Winners

Congratulations to the students who won the Unity Poster Contest and earned ice cream as a reward. You're the best!!!!

## Student Tutors

If your student is interested in getting community service hours, Jefferson Elementary School is looking for math tutors. Interested students should have an A or B in Math and be skilled in solving problems with fractions and decimals. Applications can be found in the Lincoln Main Office.

## Lincoln Sports News

7th grade boys basketball finished with a record of 10 wins and 6 losses, which placed them in the top half of the conference during the regular season. Deonte Miller and Twon Jones were named to the All Conference team and Eduardo Gutierrez was named to the All Academic team.

8th grade boys basketball finished the regular season with a record of 13 wins and 3 losses for a 4th place finish in the conference. They advanced to the semifinals with a big win against Roosevelt, but lost to the eventual champion Brooks Middle School in the semis.
