AGENDA #6

Date: February 5, 2019

To: Board of Education

From: 
Andy Stenson
Superintendent

Subject: Approval, Bruce Metzler Project Inspector Proposal for Division of State Architect (DSA) Inspection Services at Arroyo Grande High School, Stadium/Track Project No. 0459, Bond Fund 21

Background:

On April 17, 2018, the Board approved a Professional Service Work Order (PSWO) with RRM Design Group, Inc. for Architectural Services for the improvements to the Stadium/Track at Arroyo Grande High School, Project No. 0459.

Relative to this project, Bruce Metzler has prepared a proposal for Division of State Architect (DSA) Class 1 inspection services for the alterations to the track field and associated site work, and construction of one modular concession stand building including restrooms, one press box, and one visitor side bleachers. DSA inspection services, per the approved plans and specifications, are required for this project.

Recommendation:

Staff recommends the Lucia Mar Board of Education approve the Bruce Metzler Project Inspection Proposal for DSA Inspection Services at Arroyo High School, Stadium/Track Project No. 0459.

Fiscal Impact:

The anticipated total should not exceed \$40,500 from Bond Fund 21.

Board Goals:

Student & Staff Success

PROPOSAL for Inspection Service

RE: Lucia Mar Unified School District, The Arroyo Grande High School Stadium Improvements per DSA application number 03-119337.

I propose to provide DSA required inspections per the approved plans and specifications. Service will include daily site visits as needed or specifically requested that will include photo documentation and reports of observations and inspections of work being performed for the project. Reports to include manpower on site, equipment in use, materials being applied and noting any problems.

Service to be performed at the rate of \$90.00 per hour with 2 hour minimum per day. Based on the project start of mid-February and completion date of early June 30, 450 hours not to exceed \$40,500 is anticipated from start to finish barring project delays, acceleration, or unanticipated conditions affecting extending construction duration.

Sincerely,

Bruce Metzler
