___0930 Computer Graphics & Design I**	5
___0937 Construction I/Construction II**	2.5/2.5
___0918 Radio Broadcasting**	5

## Spotswood High School Graduation Requirements

Course	Years
English	4
Mathematics	3
Science	3
Social Studies	3
Physical Education/Health	4
World Language	2
Visual/Performing Art *	1
Business/Technology, Family/Consumer Science, Vocational, Life Skills **	1
Financial Literacy \$	½ year

**Students must complete a total of 125 credits to fulfill the graduation requirement.**

At Spotswood High School, students are given course recommendations from their current teachers for next year's course selections. Students meet with their counselor to review the recommendations and a parent/guardian signature is required for students to enroll in courses. Based on these course selections, the master schedule is created and the staffing needs are determined. Therefore, once this process is complete, it is vital that there are limited scheduling changes.

Reasons for changing courses after submitting final course selection sheet:

1. A course failure which prohibits the student's progress to the next sequential course or a student passes a credit recovery course which allows the student to progress.
2. Class level change supported by teacher and counselor recommendations and approved by appropriate department chair and/or administrator.
3. Student is placed in recommended or mandatory Basic Skills course.

**Honors courses cannot be dropped because summer work was not completed.**

**Students who waive into a course must remain in that course for the duration of the year.**

I have read the above information and understand that no course changes will be made after **March 15, 2019** unless the change is due to one of the above reasons.
