MAY 2018

Principal's Corner

Dear Parents,

It is difficult to believe that our school year is drawing to a close! Let's celebrate a few of our successes: Our students are learning and growing right before our eyes, and our teachers continue to provide quality instruction. Overall attendance has improved, and we thank you! It is important for your students to attend school. We miss them when they are not here, and they miss out on learning.

At the end of the year your child will bring home a backpack with a book and other summer learning activities.

Thanks for a great year! School begins again on August 15, 2018.

Sarita Arredondo,
Principal

A Note from the Owens Primary Parent Resource Center

“Thank you to all of our parents who have visited, helped, and attended classes in the Parent Resource Center this year!

We encourage you to visit your FACE

Liaison at **McKinley** for our

Summer Parent Academy 2018!

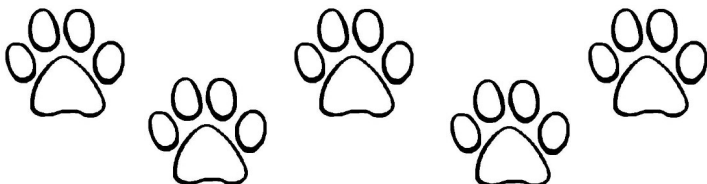

There will be classes, Zumba, and much more! The summer Parent Academy takes place **June 13-29** from 8:00 am to 1:30 pm!”
