REMARK FOR SAN ANTONIO CAMPUSES

Although all Fiesta events have been rescheduled until November, San Antonio campuses will be closed this Friday, April 24th as reflected on our school calendar. Students will not be given assignments and teachers will not be required to be available until we reconvene on Monday. If your family is planning any Fiesta related activities, we welcome you to share your photos with us on social media and the district website. All other regions will have instruction as normal.

TIPS FOR NAVIGATING DISTANCE-LEARNING

We understand that distance learning is new and challenging for both parents and students. Here are a few tips shared by Dr. Trevino during this week’s Superintendent Coffee:

• **MAKE A PLAN:** The school and your teacher will prepare your lessons. Families should plan how you will be studying at home.
• **TAKE NOTES:** Notes will help you remember lessons as you watch them. They will also be useful when reviewing later.
• **TAKE A BREAK:** Do your work in blocks to lessen the strain. After finishing one lesson, take a five-minute break before moving on.
• **BE PROUD OF YOUR ACHIEVEMENTS:** Studying at home isn’t easy. Reward yourself for each small success.
• **DO ONE THING AT A TIME:** Finish each lesson before moving onto the next. Do one assignment before another. Lessen multitasking.
• **KEEP YOUR ROUTINE:** Treat your day as if you are going to school. Get up, take a shower, have breakfast.
