

Mission

Clackamas Middle College provides an inclusive, innovative and challenging personalized education that cultivates and prepares independent learners for college and careers.

Goals

1. Members of the CMC Community are valued, their identities are affirmed, and they feel emotionally supported.
2. Students in the CMC Community grow toward independent lifelong learning, and develop a personalized postsecondary path.
3. Members of the CMC Community benefit from flexible instruction, student centered curriculum, and high expectations

CMC Programs to Postsecondary Success

1. **College Prep**
2. **Pathways to College**
3. **College Extended Options (CEO)**

CMC offers an accredited North Clackamas School District High School Diploma through innovative high school/college transition classes along with a specialized service learning and senior internship program. The requirements of the diploma follow NCSD requirements and guidelines.
