

Airport Education Association Scholarship

2019

The teachers at Airport Community Schools as members of the Airport Education Association want to support the aspirations of an Airport Jet with the goal of joining the ranks of inspiring the future. We are offering two \$500 scholarships to a pair of graduating seniors pursuing higher education to shape the future. We are looking for seniors with a love of learning to inspire others in their chosen field of study. We would like to give you a scholarship to start you on your journey to a rewarding and meaningful career. This scholarship has been designed to reward someone that has proven they have been a leader in learning in their Airport Community Schools career and intend to inspire others. The scholarship will be awarded based on a well-rounded student that exhibits the characteristics needed to become a future leader in their field of study. Activities during your Airport Jet tenure, your GPA, your essay, and your letters of recommendation will determine the recipient of the scholarship. Please be sure to include all required information to be eligible to be considered for this scholarship. All applications become the property of the AEA and will not be returned. Scholarship announcement will be made at the Airport Community Schools Blue and Gold Banquet.

Scholarship funds will be paid directly to the institution of higher learning on behalf of the student.

Please e-mail Mrs. Miller DMiller@airport.school AEA Scholarship Chair or see Mrs. Brakel, Media Specialist, with any questions.
