“We are fundamental to what matters”

September 3-7, 2018

## *PARENTS' BULLETIN*

**LAUSD MISSION:** LAUSD will provide high quality instruction and a coherent and rigorous curriculum in every classroom to facilitate student learning and achievement

**School Values:** Excellence as a result of collaboration, academic rigor, high expectations and strong character

### CHARACTER TRAIT OF THE MONTH:

**RESPECT**

### **QUOTE OF THE WEEK:**

A good education  
can change anyone,

a good teacher can  
change everything.

### Monday, September 3, 2018

NO SCHOOL (LABOR DAY)

### Tuesday, September 4, 2018 (early dismissal at 1:38pm)

8:30am: Friends of Nestle and PTO Parent Meeting (Room #19)

“We are fundamental to what matters”

**September 3-7, 2018**

### Ms. Gray.....

\*Please make sure that you have turned in all paperwork sent home. We need the emergency forms turned in ASAP. **We especially need the Meal Application turned in or completed online. Nestle’s funding is dependent on the percentage of families turning in the meal applications.** Even if you don’t qualify for free or reduced lunch, turn it in anyway because we get credit for it.

\*Please make sure that you have family members or anyone expected to pick up your child, on the

emergency card. We will not release students to anyone not listed on the emergency card. We will also require a picture ID. Please do not ask for friends of your child to be released to you for a play date without the friend’s parent notifying the office. Also you must be on the emergency card.

\*Students being picked up by an after-school program along with multiple students must be signed out in the office.

\*Computer Wise Kids will be providing computer instruction to students in grades 1-5. A computer teacher will be coming on Mondays, Wednesdays and Fridays to teach computer programs in classrooms. Kinder teachers will get art teacher as an alternative program for them for the 1<sup>st</sup> semester and I will work with kinder teachers to come up with an alternative program thereafter. The cost of 1 more grade level to participate in Computer Wise Kids was cost prohibitive. We would have had to pay for an additional day.
