

ST. FRANCIS *of* ASSISI SCHOOL

You can make your donation to St. Francis of Assisi School go further if you work for an employer who offers Matching Gift programs and Volunteer Grant programs to their employees.

Some of us are not as familiar with Volunteer Grant programs. Volunteer grant programs, also known as “Dollars for Doers” programs, are corporate giving programs created to encourage volunteerism in communities where employees live and work.

Through these programs, companies provide monetary grants to organizations where employees volunteer regularly.

Some of the businesses for which our families work that have Volunteer Grant programs are:

- American Airlines
- Capital One Financial Corporation
- Fedex
- Honeywell
- Southwest Airlines
- Walmart

You will find basic information about your plan below, just scroll through the list.

- **American Airlines**

Through American Airlines' Flights for 50 program, American Airlines awards a free flight voucher to charitable organizations when an individual employee volunteers with an organization for at least 50 hours.
