Dear HBUHSD Community,

Today, the HBUHSD Board of Trustees voted to close schools effective March 16, 2020, through March 27, 2020. This decision is being made in response to the National Emergency declared by the President of the United States. The purpose of this closure is to limit the spread of the COVID-19 global pandemic.

We do not have any presumptive or confirmed cases of the new COVID-19 virus in our schools, but we are taking this step to help protect public health.

We are actively monitoring the situation and following guidelines from the California Department of Public Health (CDPH), Orange County Health Care Agency (OCHCA), and the Orange County Department of Education (OCDE).

Students should stay home and minimize social contacts as much as possible to keep caregivers and adult family members safe.

For additional information, continue to check notifications via ParentSquare and visit our website at www.hbuhdsd.edu.

HBUHSD wants to thank our communities in advance, knowing that lives will be disrupted to some extent during this fluid time.

Sincerely,

A handwritten signature in cursive script that reads "Clint Harwick".

Clint Harwick, Ed.D
