College Application Essay Assignment #1: Due by Friday, August 23

In a word or google drive doc, please answer the following six questions honestly and thoroughly (these are NOT one-sentence responses).

● Three important points:
  ● Whatever you write is for your and my eyes only.
  ● Be as thorough and specific as possible. Elaborate so that I know of what you speak.
  ● Please compose your responses in a format that you and I can edit later edit, which usually means a Word doc or a google drive doc. Even if you write it in Pages, DO NOT send as a Pages doc.

The Personal Reflection questions:

1. Describe what it is about you that you are most proud. Please elaborate with as much specificity as possible.

2. Creativity can be expressed in many ways and most importantly, is not relegated only to art. One can be creative in problem solving or innovative thinking. How do you express your creative side? How do you express your creative side?

3. What do you choose to learn about on your own (outside of your required curriculum)? What captivates you about this topic?

4. What academic subject most inspires you? Why? How have you furthered your appreciation of and/or involvement with this subject?

5. Discuss a community project with which you’ve been involved that has made an impact on both you and others.

6. Describe a time when you saw yourself as a leader. This does not have to involve leading a group or a project (although it could be).
