## After School Front Loop Pick Up Procedures

To help with the heavy flow of traffic after school, please do the following:

1. Arrive at the front loop

**after 2:05 p.m.** (M, T, Th, F)

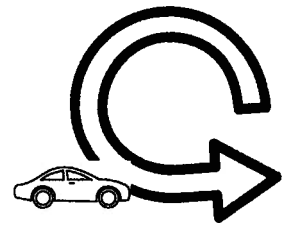

**after 1:20 p.m.** (Wed)

***no earlier***

*this will allow time for your child to get to the front in a safe manner without having to run*

2. We will call for your child when you arrive.

After we call your child's name **twice** and he/she is not at your car, we will ask you to ***drive around the loop*** to prevent the traffic from coming to a standstill.

3. Do not pick up your child in the staff parking lot or behind the school. The safest place to pick up your child is at the front loop where we have adults who are monitoring the area.

Please follow these procedures to help our students be safe.  
Thank you for your patience and cooperation.
