

## STUDENT FOOD AND LEARNING RESOURCE DISTRIBUTION SITES

Acting in an effort to promote health and safety, a decision was made to close schools through spring break. We have prepared many different learning opportunities for our students to ensure learning can continue. All of the resources are available at [www.ccsd.net](http://www.ccsd.net).

The Clark County School District (CCSD) will continue providing breakfast and lunch to students during the closure of our schools.

Student food distribution pods will be set up at school locations throughout the district from **8 a.m. to 11 a.m. Monday through Friday.**

**Please note, school-aged children must be present when picking up meals.**

Food distribution locations and times are being updated at <https://ccsd.nutrislice.com/menu>  
Parents can also pick up [academic resources](#) at these sites.
