

Program starts Tuesday September 3rd

After School Art Enrichment

For grades 1-6

This after school art program will expose your child to other types of mediums and techniques that are difficult to present in a larger class setting. Class size is limited, allowing your child the opportunity to explore art concepts with closer attention to each child's individual talents. This program has been developed to enhance the students' artistic and creative skills and thought processes that will be of benefit in all other areas of study.
