

Katherine Edwards Middle School- STEAM & Dual Immersion Academy

School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About This School

Contact Information (School Year 2018-19)

School Contact Information	
School Name	Katherine Edwards Middle School- STEAM & Dual Immersion Academy
Street	6812 South Norwalk Blvd.
City, State, Zip	Whittier, CA, 90606
Phone Number	562.789.3115
Principal	Tiffany Tagle
E-mail Address	ttagle@whittiercity.net
Web Site	http://edwards.whittiercity.net/
CDS Code	19651106023659

District Contact Information	
District Name	Whittier City Elementary School District
Phone Number	562-789-3000
Superintendent	Dr. Maria Martinez-Poulin
E-mail Address	mmartinez-poulin@whittiercity.net
Web Site	http://www.whittiercity.net

School Description and Mission Statement (School Year 2018-19)

Katherine Edwards Middle School serves approximately 785 students in 6th, 7th, and 8th grade students. The majority of students live within walking distance of the school, but many students are also bussed in from Pellisier and commute from uptown Whittier. Six elementary schools feed into Edwards at the conclusion of 5th grade: West Whittier, Mill, Orange Grove, Phelan, Jackson, and Sorensen. About 50% of Edwards graduates move on to Pioneer High School and 50% go to Whittier High School. Ninety-five percent of the students are Hispanic, 2% White, and 3% other ethnicities. Approximately 11% of the total student body are classified as English Language Learners. About 83% of the students receive Free and Reduced lunch. Edwards parents have a vast array of occupations, with 70% of the parents holding a high school diploma, and of these parents, 30% of those have attended some college and/or received a college degree.

We have a highly qualified staff that offers a rich standards-based curriculum. Our master schedule consists of an 6 period day. Students are offered a variety of electives focused on our school theme, STEAM, such as beginning and advanced band, chorus, guitar, Engineering, Robotics, Forensics, Coding, Drama and Public Speaking. We are also a Dual Immersion Academy where some students take courses in both English (ELA, Math, PE, and elective) and Spanish (ELA, Science, Social Studies). Student Leadership (ASB), Media Art and Art. Additionally, students that require additional support in either math or language arts to meet grade level proficiency are scheduled into an intervention class during the school day. An Honors strand is provided at each grade level for our students excelling in Math and Language Arts. Our school recognizes the importance of literacy, therefore, there is a sustained focus on close reading and interacting with the text. Positive Behavior Intervention and Support is a focus on the campus to enable students to learn from their actions and grow in a positive learning environment. Students are taught lessons in tolerance, conflict resolution, social skills and individual accountability to take responsibility for their actions in helping maintain a safe environment for all students.

MISSION STATEMENT

Katherine Edwards Middle School is focused on providing academic achievement that promotes growth and success in the 21st century to enhance the abilities of all students in a dynamic global community. Building skills in Science, Technology, Engineering and Math provides the cornerstone for each student's learning experience. Our school cultivates equity for all students while focusing on self-esteem and confidence, patriotism, and acceptable behavior fostered in a safe environment. Our collaborative school culture is academically rigorous where every student is equipped with the tools to be both a life-long learner and a successful, productive, citizen.

Student Enrollment by Grade Level (School Year 2017-18)

Grade Level	Number of Students
Grade 6	268
Grade 7	233
Grade 8	259
Total Enrollment	760

Student Enrollment by Group (School Year 2017-18)

Student Group	Percent of Total Enrollment
Black or African American	0.9
American Indian or Alaska Native	0.0
Asian	0.1
Filipino	0.3
Hispanic or Latino	95.3
Native Hawaiian or Pacific Islander	0.1
White	1.3
Socioeconomically Disadvantaged	81.2
English Learners	11.2
Students with Disabilities	15.3
Foster Youth	0.3

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Teachers	School			District
	2016-17	2017-18	2018-19	2018-19
With Full Credential	32	34		31
Without Full Credential	0	1		1
Teaching Outside Subject Area of Competence (with full credential)	0	0		0

Teacher Misassignments and Vacant Teacher Positions

Indicator	2016-17	2017-18	2018-19
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments *	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: November 2018

Whittier City School District’s policy and practices are designed to ensure that each student has access to standards based instructional materials. California’s approval of Common Core State standards led to our decision to purchase “bridge” instructional materials that align with the State Standards. Currently, all teachers in grades K-8 have math curriculum that supports the teaching of the new California Math Standards; Elementary grades are currently using Eureka Math curriculum, which includes student workbooks for all students and Teacher’s Editions, while Middle School is using College Preparatory Math (CPM). The CPM curriculum includes student workbooks and Teacher’s Edition. In addition to math curriculum, all Elementary teachers and Middle School English Language Arts teachers have received the Writing Units of Study to support the teaching of the new writing types outlined in the Common Core State Standards. Teachers also received \$14 per student to purchase additional materials to align to the Common Core English Language Arts. The District has purchased the Reading and Writing Units of Study to support reading and writing instruction for all teachers in grades K-8. The Reading and Writing Units of Study were designed to match the rigor of the new CA Reading Standards. In addition, the Phonics, Spelling, & Word Study System by Fountas & Pinnell was purchased for grades K-3 to help students attend to, learn about, and efficiently use sounds, letters, and words. Classroom Shared Reading materials by Fountas & Pinnell were purchased for grades K-2 to help build a strong early reading foundation.

A process is in place for schools to order materials at the beginning of each school year for all students. In addition, there is a process to order additional materials throughout the year to address the changing needs of their student population, and on an “as needed” basis. Each school site is responsible for notifying district staff when new students register for classes so appropriate materials can be ordered.

Our school complies with the Williams Law; every child has an appropriate textbook for all academic subjects requiring textbooks. Students are allowed to take their textbooks home for study after school when needed. The school uses district and categorical funds to provide supplemental materials for the classrooms including classroom library books, as well as materials for intervention and ELD.

Finally, WCSD has an established a thorough process for examining new instructional materials as they become available. With the full implementation of the California State Standards, the District will use that process to examine, explore, pilot and adopt new curriculum materials aligned with the CCSS, with input and feedback from teachers, administrators and parents. Based on the recommendation from the Department of Education, WCSD plans to carefully examine “Open Source” materials as well to ensure that the most appropriate materials are identified for our students.

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	K-8: Reading Units of Study K-8: Writing Units of Study Kinder-Grade 3: Phonics, Spelling, & Word Study System, Fountas & Pinnell, 2018 Kinder- Grade 2: Shared Reading Collection, Fountas & Pinnell, 2018	Yes	0
Mathematics	Kinder - Grade 5: Eureka Math Grades 6 - 8: College Preparatory Mathematics	Yes	0
Science	K-6: Delta Education Foss Science - 2008 Adoption Year 2008 Grades 7-8: Amplify Science Curriculum	Yes	0
History-Social Science	Holt Rinehart and Winston (2006) Adoption Year 2007	Yes	0

School Facility Conditions and Planned Improvements (Most Recent Year)

Katherine Edwards is located on 22 acres in the unincorporated west end of the City of Whittier. The buildings house 40 regular classrooms, 2 half size classrooms, 1 multipurpose room with a stage, a kitchen, a large library, 1 band room, 1 lab room, 1 mini-gym, boys and girls locker rooms, Front Office, a Counseling Center and a staff room. Students are grouped with the 8th graders on the west end, the 6th graders on the east end, and the 7th graders in-between. All rooms are connected wirelessly to the internet and printers. A projection system including an electric screen, LCD projector, and speakers has been installed in the multipurpose room for student and parent presentations. A PA system is used for student announcements. All classrooms are equipped with phones that access the school directory and outside dialing.

Edwards Middle School offers a safe and secure campus. In 2014, the front office was relocated to the front of the school to provide a single point of entry for control of entrance to the campus. In addition, a new marquee was installed in the fall of 2014.

Part of the custodial staff's and campus safety aides daily responsibilities are to check for areas that are hazardous, are in need of repairs or need to be replaced. Jobs that cannot be completed by the custodial staff are reported to the site secretary. Additionally, all staff can submit a request for repairs directly to the site secretary. She then completes an electronic work order that is submitted to our maintenance department. A member of the district maintenance crew is then dispatched to complete the work order.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

School Facility Good Repair Status (Most Recent Year)		
Year and month of the most recent FIT report: January 3, 2019		
System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	

Overall Facility Rating (Most Recent Year)

Year and month of the most recent FIT report: January 3, 2019	
Overall Rating	Good

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	43.0	47.0	43.0	47.0	48.0	50.0
Mathematics (grades 3-8 and 11)	27.0	39.0	32.0	38.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	760	749	98.55	47.26
Male	360	354	98.33	38.70
Female	400	395	98.75	54.94
Black or African American	--	--	--	--
Asian	--	--	--	--
Filipino	--	--	--	--
Hispanic or Latino	724	715	98.76	47.69
Native Hawaiian or Pacific Islander	--	--	--	--
White	--	--	--	--
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	623	614	98.56	44.79
English Learners	171	168	98.25	23.81
Students with Disabilities	132	126	95.45	6.35
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2017-18)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	764	739	96.73	39.3
Male	361	349	96.68	39.26
Female	403	390	96.77	39.33
Black or African American	--	--	--	--
Asian	--	--	--	--
Filipino	--	--	--	--
Hispanic or Latino	728	705	96.84	39.63
Native Hawaiian or Pacific Islander	--	--	--	--
White	--	--	--	--
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	625	607	97.12	37.29
English Learners	173	163	94.22	17.79
Students with Disabilities	137	124	90.51	9.76
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percentage of Students Meeting or Exceeding the State Standard					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
Science (grades 5, 8, and 10)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
7	20.4	26.7	21.8

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

Edwards School understands the importance of the parent's role and how it contributes to the success of their child's education. Therefore we plan for and provide a variety of opportunities for parents to be involved with their child's education.

Royal Start

Parents are provided an opportunity to meet with counselors to learn about their child's schedule, Powerschool, Parent Portal, access code and told about different options for intervention if child is below grade level. Notification: It is listed on the school calendar, posted on social media, flyers are mailed home and various Sangha messages are sent prior to the dates.

Back To School Night

Parents are provided the opportunity to meet with each of their child's teacher for the coming year. Teachers are able to share important information with parents regarding curriculum standards, grading policies, attendance, ongoing communication and other important information. Notification: It is listed on the school calendar, posted on social media, flyers are mailed home and various Sangha messages are sent prior to the dates.

District Parent Education Center

The district offers several educational opportunities for parents. Classes range from helping students with studies, navigating college preparedness, parenting classes, and more. Notification: It is listed on the school calendar and posted on social media.

Elementary/Middle/High School Transition

During our portion of this event. Parents are invited from all of our feeder schools to learn about the opportunities that Edwards offers the students. Scheduling, electives, honors, intervention are all covered. Counselors are available to answer parent concerns/questions. The counselors take parents on a campus tour. Notification: It is listed on the school calendar, posted on social media, flyers are mailed home and various Sangha messages are sent prior to the dates.

English Language Advisory Committee (ELAC) Meetings

Parents are informed regarding SBAC/District Benchmark results as available, School Improvement plans/actions, categorical budget /priorities, R-30 report, attendance and schoolwide programs (eg. Reading Counts, PBIS, etc.) Notification: It is listed on the school calendar and personal phone calls are made prior to the dates. The agenda is posted in the Front Office.

School Site Council

Parents are informed regarding SBAC/District Benchmark results when available, School Improvement plans/actions, categorical budget /priorities, R-30 report, attendance and schoolwide programs (eg. Reading Counts, Peace Builders, PBIS, etc.) Notification: It is listed on the school calendar, emails and personal phone calls are made prior to the dates. The agenda is posted in the Front Office.

Parent/Teacher/Student Conferences

Students are dismissed early for 5 days in the fall and 4 days in the Spring so that Parents can meet with their child's teachers and discuss their child's progress and expectations in each classroom. Notification: It is listed on the school calendar, posted on social media, flyers are mailed home and various Sangha messages are sent prior to the dates.

Parent Teacher Organization (PTO)

Edwards has a PTO chapter that meets monthly. Fundraisers are held to support student services, such as field trips, assemblies, student recognition programs and to extend our library selection for students. Additionally, walkie talkies and emergency kits have been purchased by our PTO to help support our school safety/disaster plan. Notification: It is listed on the school calendar, posted on social media, and Sangha messages are sent prior to the dates.

Open House

Parents are provided with an evening event to visit their child's classroom to see various projects/work samples that their child has completed related to the particular subject area. Notification: It is listed on the school calendar, posted on social media, flyers are mailed home and various Sangha messages are sent prior to the dates.

Visual and Performing Arts (VAPA) Performances

Students in art, chorus, guitar and band are provided with several opportunities throughout the year to perform for their parents at evening events. Notification: It is listed on the school calendar, posted on social media, and various Sangha messages are sent prior to the dates.

Outside District Opportunities

Parents are invited to attend professional conferences such as the Hispanic Outreach Taskforce (HOT), GATE Conference, Parent Academy, and Regional CABE to extend their learning and understanding of educational opportunities for their child and State expectations. Notification: It is listed on the school calendar, posted on social media, flyers and Sangha messages are sent prior to the dates.

Counselor Appointments

Parents can schedule appointments with the grade level counselor(s), as needed, to discuss their child's academic progress and/or social interaction and adjustment with their peers.

Technology Outreach

Sangha, Social Media (Facebook, Twitter, Instagram), Edwards website, and Parent Portal are used to inform parents of school events, meetings and information regarding their child's academic progress.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
Suspensions	3.3	2.8	3.2	2.2	1.1	2.4	3.7	3.7	3.5
Expulsions	0.0	0.0	0.0	0.0	0.0	0.0	0.1	0.1	0.1

School Safety Plan (School Year 2018-19)

The safety plan is revised each summer at the first staff meeting. This year it was reviewed and updated on August 13th and has been revisited as needed during the school year to reflect staff changes.

Staff input is sought after each drill to evaluate its effectiveness and changes to the plan are made as needed to reflect the recommendations (reviewed and discussed on September 11th and November 6th). Additionally, the site Leadership Team reviewed the procedures after the drills on October 30th. The school is prepared for the two basic types of major emergencies: building evacuation during a fire or earthquake and lockdown/shelter in place. Each type is designated by a different alarm and procedures. Each room and office has a red emergency folder clearly visible as well as an emergency supply bucket for lock down situations. The emergency folder contains evacuation routes, field positions, staff assignments and student release procedures. It also contains emergency information on each student, emergency organization phone numbers, and a prioritized staff release list to ensure adequate coverage until parent notification and/or pick up can occur. One of the district kitchens is located on the Edwards campus, ensuring adequate food and water for several days. The district received a copy of our School Safety Plan on October 1st. Emergency drills are held monthly and the staff is trained several times throughout the year. Finally, a strong partnership exists between our school and local law enforcement. Local law enforcement agencies provide ongoing support to the school and coordinates with school and district personnel to ensure students safety in case of a campus or neighborhood threat.

Average Class Size and Class Size Distribution (Secondary)

Subject	2015-16			2016-17			2017-18					
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+
English	29.0	3	8	6	29.0	3	4	10	26.0	3	10	3
Mathematics	27.0	5	4	7	30.0		4	1	30.0	1	10	4
Science	33.0	1	3	10	34.0		2	9	36.0			11
Social Science	30.0	2	5	8	34.0		5	8	35.0		3	7

Note: Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Academic Counselors and Other Support Staff (School Year 2017-18)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor		
Counselor (Social/Behavioral or Career Development)	2.0	N/A
Library Media Teacher (Librarian)		N/A
Library Media Services Staff (Paraprofessional)	0.5	N/A
Psychologist	0.6	N/A
Social Worker		N/A
Nurse		N/A
Speech/Language/Hearing Specialist	0.3	N/A
Resource Specialist (non-teaching)	3.0	N/A
Other	.325	N/A

Note: Cells with N/A values do not require data.

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2016-17)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/ Restricted	Basic/ Unrestricted	
School Site	\$5,197.39	\$111.79	\$5,085.60	\$77,119.74
District	N/A	N/A	\$8,763.03	\$79,081
Percent Difference: School Site and District	N/A	N/A	-53.1	-2.5
State	N/A	N/A	\$7,125	\$80,910
Percent Difference: School Site and State	N/A	N/A	-33.4	-4.8

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2017-18)

Whittier City School District receives Local Control Funding Formula (LCFF) based on ADA for students, as well as Concentration and Supplement Grant funding based on the percentage of “unduplicated student counts”. These funds are used for all educational services including salaries, instructional materials, maintenance, transportation and capital expenses. The District also receives Title II, Title III and Special Education funds. Federal funds from Title I are used at both the District level and also distributed to school sites. Schools receive LCFF funds, under the title of “Impact Aid”, to assist students who are struggling academically.

Title 1 and Impact Aid funding provides supplemental support to help us improve the instructional program for all students. These funds are used to provide teachers with release time so they can monitor student learning, collaborate on their instructional program, and plan for the use of curriculum and materials. Funds are also allocated to purchase material for math and reading interventions. Other services provided through supplemental funds include parent engagement activities, a library clerk, extra math manipulatives, materials to support English Learners and other collaboration opportunities.

Teacher and Administrative Salaries (Fiscal Year 2016-17)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$40,511	\$50,084
Mid-Range Teacher Salary	\$75,148	\$80,256
Highest Teacher Salary	\$95,743	\$100,154
Average Principal Salary (Elementary)	\$123,042	\$125,899
Average Principal Salary (Middle)	\$122,642	\$130,255
Average Principal Salary (High)	\$0	\$128,660
Superintendent Salary	\$253,332	\$222,447
Percent of Budget for Teacher Salaries	32.0	37.0
Percent of Budget for Administrative Salaries	4.0	5.0

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Professional Development (Most Recent Three Years)

The fundamental goal of the Whittier City School District is to continually examine and improve our practices to ensure that all students have the best opportunities to achieve high academic standards. In order to effectively prepare our students for 21st Century college and career, classroom experiences are designed to encourage student creativity, increase meaningful discourse and communication, and develop critical thinking skills, while providing opportunities for problem solving and collaboration. To reach these goals and close the achievement gap between high achievers and struggling students, the District’s instructional priorities are to:

- Provide professional development to teachers on the California Standards and the instructional practices that support the implementation of the Instructional Shifts outlined in the California Common Core State Standards;
- Enhance teachers’ skill and knowledge in the integration of technology across the curriculum;
- Support teachers by providing access to timely and appropriate data on student performance;
- Provide training to develop teachers’ knowledge and skill to analyze data;

- Provide training and resources on how to create, administer and score formative assessments;
- Provide opportunities for teachers to collaboratively work in grade level and/or department level teams to examine data, monitor student learning and plan instructional practices;
- Develop a comprehensive and effective “Response to Intervention” model that will support those students who are struggling academically and behaviorally;
- Provide professional development to teachers and schools leaders on how to develop, nurture and sustain effective “Professional Learning Communities”

Whittier City School District leaders understand the importance of ongoing, in-depth professional development directly connected to district and school learning goals. Professional Development is provided during the summer, teacher release time, after school and on Tuesday early release days and is designed to sustain and follow-up on the previous years' initiatives. The focus for 2016-2018 is to explore the Reading and Writing Standards in greater depth as well as strategies to assist students in meeting the Reading and Writing Standards by providing in depth professional development on Balanced Literacy. Furthermore, the Mathematics Standards and Standards for Mathematical Practices continue to be an area of focus; through the implementation of Eureka math and CPM teachers receive ongoing training and opportunities to collaborate and study best practices for teaching. In addition, teachers are learning about the new ELD Standards to support students who have yet to be reclassified. Science and Social Studies teachers in grades 6-8 are learning how to develop cognitive demanding tasks that support the expectations of the Common Core Standards for Literacy and Writing. Finally, technology integration is a component of many of our PD sessions.

District Instructional Coaches provide training and coaching support to enhance teachers' expertise in core instructional practices, lesson design, instructional planning, technology integration, and the tenets and practices of a PLC. To address the needs of our English Learners, teachers from each site have attended professional development in Systematic ELD, the new ELD Standards as well as examining the CA Framework for English language Arts and English Language Development to strengthen the implementation of a comprehensive approach to teaching English Language Development. Teams of teachers and principals from each school have participated in English Learner Shadowing to understand how to effectively provide opportunities for English Learners to engage in academic discourse and content discussions throughout the school day. The District Science Coach works with teachers to implement the FOSS Science Units in Elementary and Middle School to explore the Next Generation Science Standards. In addition, Middle School teachers have received professional development and training on using Amplify a Next Generation Science curriculum.

Grant funding has been acquired for additional professional development. The Whittier City District was fortunate to be selected to receive the California Math and Science Partnership Grant, a two-year, \$1.5 million grant. That grant allowed us to pay stipends for 54 teachers in grades K-2 to engage in an intense, two-year study of the new Mathematics Standards. Teachers attended a 2-week summer institute, as well as lesson study and coaching cycles during the school year to strengthen their instructional practices. The goal of the grant was to support students' conceptual understanding of mathematics and engage in the practices associated with high levels of student learning. To further support the implementation of the new standards in Middle School, ELA and Content Area teachers were part of the Reading Apprenticeship/Writing Connections Grant and receive professional development, materials and resources to assist with planning lessons to meet the new CA Reading Standards specific to content area teachers. Content experts and consultants have provided on-going training to teachers and administrators on the instructional shifts for Reading, Writing and Mathematics aligned to the CCSS. Site based training has ensured that teachers receive expert support on how to address the various needs of students and ensure rigorous and effective instruction is cultivated and practiced.

Developing teacher leadership is a critical component of our approach to Professional Learning. Opportunities for teachers to assume leadership roles include serving as a Lead Teachers at the site and on the District Curriculum Improvement Teams (CITs) at the District level. CITs meet to analyze and revise the District's Essential Agreements, Benchmark Assessments and Pacing Guides as well as make recommendations for improvements. Our focus on ensuring academic success for all students is supported by on-going training and implementation of an MTSS model for all teachers and support staff on how and when to administer universal screening assessments designed to identify at-risk students in a timely manner. Additional training is offered throughout the year on how to effectively use the data gathered to implement researched-based intervention materials designed to meet specific needs of struggling students.
