

Dear Students, Parents, & Guardians,

On behalf of the staff at Madisonville Primary School, I am thrilled to welcome you to the 2019-2020 school year! Our staff has been busy preparing classrooms for an exciting year of learning and growth. We are looking forward to hearing about your summer adventures, connecting with returning families and meeting our newest Tornados. I am privileged to have the opportunity to serve as your principal and I am honored to work with our qualified and dedicated staff, our wonderful students and supportive parents. The primary years are critical times of development for students and families and I look forward to working with you to make this school year successful.

Student success is the goal of every staff member at MPS. We are devoted to utilizing research-based practices to guide every student, every day to reach their full potential. MPS Staff works collaboratively to implement standards by designing skill-specific lesson and assessments to monitor student progress. I ask for your support and participation in this effort by sending your child to school every day, encouraging him/her to read for pleasure every night, monitoring homework as well as progress and asking your child to share what they are learning at school each day.

We invite you to become an active participant in our school community through volunteering and by attending/supporting our school events. Educational research shows that one of the most important characteristics of an effective school is building a strong home-school relationship. MPS welcomes your involvement and seeks to create a strong home-school relationship.

Education is a partnership between the school, students, parents/guardians and community. Communication is a vital component of a successful educational experience. Together we can improve the quality of our school community and provide the best for the children of MPS. All children are more successful when we work as a team to achieve educational goals.

As always, we appreciate the support you offer to help our school be successful!

Sincerely,

Casey Davis, Principal
