

# 4th Grade News

Week of October 22, 2018

## Reading:

I can't believe that we are already in the 2<sup>nd</sup> 9 weeks of school!

We will be completing the STAR Reading assessment early this week so that new AR goals may be set.

Also, students have a new Spelling list with words containing the long u and short u sounds. The test for this list of words will be taken on Friday, November 2<sup>nd</sup>.

Thank you for encouraging your child to read, read, and read some more!

## Math:

I am so proud of our 4<sup>th</sup> graders! Last week we worked on multiplying 2 digit numbers, and all students worked so hard.

This week we will continue to practice solving 2-digit x 2-digit multiplication problems. **Our chapter 3 test will be Friday, October 26.**

**I will be sending home a study guide on Tuesday. Students will have until Friday to complete the study guide.**

## Science/Social Studies:

This week we will be covering Early Colonization and the 13 Original Colonies.

Thank you to all of the parents who have joined the REMIND group for 4<sup>th</sup> grade. It has already proved itself to be beneficial for communicating to parents! If you have not joined, please let Mrs. Petty know that you need the paperwork again. I will get it to you ASAP!

Thank you for all that you do! Let's have a great, chilly week!

## Announcements:

Please sign and return report cards to your student's homeroom teacher ASAP.

**Fall in the Hall** – October 30 from 5-6:30
