## PRINCIPAL'S MESSAGE

Dear Parents, Guardians and Elementary Students:

I can't believe we are so close to Thanksgiving! The first quarter has flown by and we are embarking on our holiday season. Also, we have noticed a dip in temperatures. Please remember that our students go outside year-round, and now is the time to bring sweaters or light jackets for recess time. I hope you all have a wonderful Thanksgiving! This year I am thankful for our amazing students, families, and educators. Thank you for your support of Vonore Elementary School. Please don't hesitate to contact us with any questions.

Melissa Moree, Principal

Cora Veal Center – Vendors in Gym

### November 21<sup>st</sup>-23<sup>rd</sup>

Thanksgiving Break

## CLINIC NEWS

We have been getting notifications of students being diagnosed with the flu. It looks like it is coming early this year. Please watch your children for fevers and body aches, as these are some of the first signs. Other symptoms are headache, runny nose, sneezing and chills.

As always remind them to wash their hands, to keep their hands away from their face and to never share food or drinks with other students.

I still have a few flu shots left. If you want your child to get one please call me, as it is first come first serve.

Also, we can do well child exams. If your child needs one, please let me know and I will send the proper paperwork home with them. I don't have a nurse practitioner every week but can schedule one as needed.
