WORKING ENVIRONMENT

While performing the duties of this job, the employee works in a school and/or classroom as needed. The employee's primary responsibility is working with students and staff during the school day. This position may involve frequent interruption and direct contact with staff, students and the public; a high volume of responsibilities that may require working without direct and/or constant supervision; and working in a school environment where the noise level is usually moderate.

PHYSICAL AND MENTAL REQUIREMENTS

The physical and mental requirements indicated below are examples of the physical aspects that this position classification must perform in carrying out essential job functions.

- Persons performing service in this position classification will exert up to 50 pounds of force frequently to lift, carry, push, pull, or otherwise move objects.
- Depending on the work location, this assignment may involve sitting most of the time, but will involve walking or standing for brief periods and could require the person to run after a student. Other locations may be mostly standing and moving from classroom to classroom.
- Perceiving the nature of sound, near and far visual acuity, depth perception, providing oral information, the manual dexterity to operate business related equipment; handle and work with various materials and objects are important aspects of this job.

The physical and mental demands described here are representative of those that must be met by an employee to successfully perform the essential responsibilities and functions of the job and are not meant to be all inclusive. Reasonable accommodation may be made to enable a person with a disability to perform the essential functions of the job.
