FOOTHILL HIGH SCHOOL GRAD NIGHT COMMITTEE NEEDS YOUR HELP!

Dear Friends and Families of Foothill High,

In June of 2019, Foothill High School will be hosting a supervised, chaperoned Grad Night event that will provide our graduating seniors an opportunity to celebrate with their classmates one final time in a safe and sober environment. Communities that provide a Grad Night have virtually eliminated alcohol and drug related injuries on graduation night. Prom night and Grad Night are two of the highest risk nights for high school students.

This event is not funded by the school, by the district, nor by our State resources. We are looking to our community to support and fund this great event. We are hoping that you will consider donating or sponsoring the upcoming 2019 Foothill High School Grad Night.

In return for your donation, we will be promoting your company according to your level of sponsorship. We will display your logo through T-Shirt advertisements, give visibility of your company in the Pleasanton Weekly newspaper, and recognize your company on all graduation hand-outs and flyers as well as offer other additional marketing opportunities.

If you can provide a donation, please fill out the section below and include a check made out to Foothill Athletic Boosters and put "Grad Night" in the subject line. Please send all checks to Foothill High School, 4375 Foothill Road, Pleasanton CA 94588 (Attention Grad Night). **If you have any questions, please contact Michelle Still at 925-200-2777.**

Your support and generosity will help guarantee the success of Grad Night 2019 for our 500 graduating seniors. Your contribution is Tax-Deductible, and a receipt will be sent. **TAX ID #: 94-2418064**

We hope you take this opportunity to support the Foothill High Senior Class. Together we can make their last high school experience one that they will cherish years to come.

Please return this portion with your donation
