(0 period 6:15 pm)

Dear Parents:

You are cordially invited by the staff and administration of Yorba Linda Middle School to attend our annual Back-to-School Night to be held on Tuesday, September 17, 2019. Classroom visitations will start at 6:30 pm (0 Period at 6:15 pm). We have scheduled this informative evening to give you an opportunity to become better acquainted with your student's teachers and learn about their classroom policies and academic expectations.

Since the intent of this program is to impart information, teachers will not be available to confer with parents regarding the progress of individual students. If you wish to contact a teacher regarding your student, please call (714) 986-7080 to leave a message for the teacher to schedule the appointment, or you can email the individual teacher.

Please have your student complete the class schedule form (on the reverse of this page) for your use on "Back-to-School Night." Most class periods will be 11 minutes long with a 4 minute passing period between classes. A map of the school is also provided on the reverse of this page.

We hope you will make every effort to attend this informative program in support of your child's education.

Best Regards,

Greg Kemp
