

OSSD Board of Education and Director of Schools:

This letter is my official notice that I am retiring effective May 27, 2014.

I am excited about my impending retirement, but I wanted to take this time to thank each of you for the opportunity that I have been given to teach the students in the Oneida Special School District.

Being a teacher is a gift, one that allows the opportunity to impact students' lives. It is an awesome responsibility not to be taken lightly. I pray that I have had a positive influence on the lives of the students that I have touched. They have certainly touched my life. I go home with many wonderful memories, ones that I will always cherish.

Again, I say thank you for my years of employment.

May God bless each of you as you strive to lead the Oneida Special School District.

Sincerely,

A handwritten signature in cursive script that reads "Jenny Martin".
