

**IMPORTANT**

**Drop-Off Procedures**

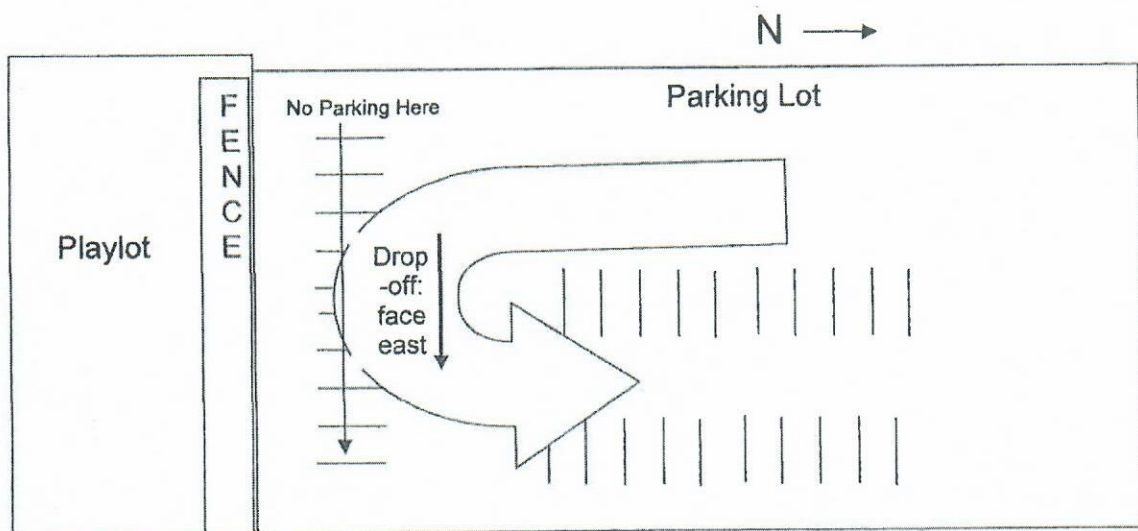

## Important Traffic Safety Issue!

Please do not park in the "Student Drop-Off" Area in the Parking lot, either before or after school.

If you park to drop-off or pick-up, then you have to back up into pedestrian or car traffic!

Like the Keene Avenue drop-off, the space is reserved for cars to drop-off and continue moving.

## No Parking Please!

Drop -Off lanes mean drivers do not get out of cars. Children should exit by the passenger side doors only!

Be safe..be smart..be cooperative!

This applies to the Keene Drop-Off lane and the Drop-Off lane in the parking lot.

Thank you.
