

**Godwin Heights Middle School**  
**Multi-Tiered Systems of Support and Positive Behavior Intervention Supports**  
**PRIDE**

**What is our vision for GHMS?**

*Build relationships, set high expectations, make it relevant; then all students will learn.*

**PRIDE at the middle school stands for:**

- Perseverance
- Respect
- Integrity
- Discipline
- Engaged

Students and staff are expected to display PRIDE in all areas of the school (hallways, bathrooms, learning spaces, office, playground, cafeteria and during school events). To assist in the understanding of the expectations, staff are trained, and students are taught through lessons that include role playing, discussions and visiting each of the areas.

The following acknowledgement systems are in place to acknowledging students and staff for displaying PRIDE each day:

- Student/Staff of the Month
- Attendance Awards
- PRIDE Coupons
- Gold Card Student
- Weekly/Semester PRIDE School-Wide Drawings
- Student Announcers

This year our school will be implementing Tier II interventions for behaviors, focusing on reading interventions to support struggling readers, and data to drive decision making to support the directions our school will go in supporting staff and students.
