March 23, 2020

Dear Students, Staff & Parents:

Governor Wolf has extended the mandatory school closure to slow the spread of COVID-19 through April 6.

Throughout the extended closure, Homer-Center will continue the free meal distribution program Monday through Friday from 11:30 am until 12:30 pm. We remind our community that the meals are free for anyone 18 years of age or younger regardless of family income. Meal pick up will continue in front of the elementary school at the designated days and times. If anyone has questions or concerns regarding the free meal distribution program email Susan McLoughlin, Food Service Director at smcloughlin@homercenter.org.

Our educational leadership team will participate in a webinar meeting tomorrow to receive guidance from the Pennsylvania Department of Education regarding academic engagement with students. We know students, staff and the community are anxious to gain information about options for continued student learning. We have various plans developed and are optimistic that we can finalize a plan that is consistent with the guidance we receive tomorrow and communicate it with all stakeholders later this week.

We appreciate your patience and understanding. We ask everyone to follow all recommendations from the CDC and Department of Health to help slow the spread of the virus and flatten the curve.

Stay safe and continue to visit homercenter.org Coronavirus Updates link for any new information.

Sincerely,

Curtis A Whitesel

Curtis A. Whitesel
