

Henry J. Kaiser High School

Infinite Campus for Parents

The Infinite Campus Parent Portal provides adults officially listed as parents/guardians with the ability to view their secondary school child(ren)'s academic and attendance information. Both parent(s) can receive their own accounts.

For Returning Parents of Grades 10, 11, and 12 Students:

- If you have previously activated your Kaiser account, you should still have the same access login and password.
- If you forgot your login or password, go to the Kaiser High website

www.kaiserhighschoolhawaii.org

Click on Infinite Campus link (yellow block) then click the appropriate links for assistance on the green sign in page (forgot your Username or forgot your Password).

For New Parents/Guardians:

Infinite Campus Parent Activation Code & Instructions will be emailed during the first 2-4 weeks of school. If you do not receive an email, you can follow instructions below for Any Parents/Guardians, and email the Registrar.

For Any Parent/Guardian:

If you've never activated or have questions about your Infinite Campus account, email Kaiser's Registrar with a short description of your request or problem. Don't forget to include your student's name in the email.
