

FAIRFOREST ELEMENTARY

Dear Fairforest Families,

As we begin the second semester, I would like to thank each of you for the support you have provided to our school and staff over these last five months. It is a pleasure to work in such a great community!

As you know it has been a busy semester. Instruction has never been better at FES than it is this year. There are so many exciting things happening! With a lot of hard work, our students and staff have been making the STEM to STEAM transition.

If you have not had the opportunity to join the STEM to STEAM page on Instagram, I encourage you to do so. It can be found by searching fesstemtosteam. Mrs. Blackwelder frequently updates it with some of the things that the children are doing. She also includes lots of pictures, so you may catch a glimpse of your favorite FES student!

Title I

You will recall from our Open House at the start of the year that Title I funds should be utilized to improve instruction in reading or math and to improve the connection between home and school.

As the second semester starts, planning for the new year starts in many areas. One of those areas is in the Title I planning process. **If you have any suggestions for ways that we can utilize our Title I funds to improve our parenting efforts or our reading and math instruction, please use the form below to send in your suggestions to Dr. Krawczyk.**

I would like the school to do or provide the following to improve the reading/math instruction or to improve relationships with families:
