

Ben Milam PTO Meeting Minutes  
March 12, 2020

I. President, Laura Garza called the meeting to order at 6:32 pm., and the Pledge of Allegiance was recited.

II. The minutes from the February PTO meeting were read by Annie Holand Miller. Minutes were approved.

III. President's Report—major congratulations to our Robotics team and their sponsors, Mrs. Olivarez and Ms. Rosales, for their commitment to our kids. Our chess team also just finished their season, and Ms. Rojas worked so hard with our kids. We are so appreciative.

IV. Principal's Report—To add to the congratulations for our Robotics team—our teams at Milam feed the Morris and McHi teams, and some of those teams are advancing to the Worlds competition.

Many of the activities for our students are being rescheduled and/or cancelled. Our 4<sup>th</sup> grade San Antonio trip has been cancelled. As of now, the 5<sup>th</sup> grade field trip is still in review with the district.

We want to reiterate the importance of good hygiene with our students. Let's not be alarmist, but let's be realists and on alert.

Please watch social media and your communication tools for updates on what may or may not happen across the district.

We finished benchmarks today, and have not yet finished grading—but we look forward to seeing the growth from our students.
