

SILVER SPUR ELEMENTARY SCHOOL 2ST ANNUAL

SCIENCE EXPO

WEDNESDAY, MAY 15th | 5 - 7 PM | MPR

GRADES TK THROUGH 5

You and your child are invited to create a science project to be displayed and presented at our Second Annual Science Expo. This project is a family activity that you and your child will complete at home. Students may also work in groups of up to 3 students from the same or different grade levels. All projects will be displayed on tables in Rooms 1-5.

Please RSVP by Friday, April 26th to silverspurscience@gmail.com if you are participating.

STEAM PRIZES AWARDED | OPEN HOUSE | HANDS-ON ACTIVITIES

Come and share your science project or just come to enjoy cutting-edge, innovative STEAM-Technologies and STEAM-Scientists, and hands-on STEAM activities.
