A Message from

Dear Parents/Guardians

It was wonderful to see so many of you at Back to School Night. For those of you who were not able to attend I am calling your attention to one of the points I made last night.

Cape Trinity Catholic is accredited by the Middle States Association of Elementary Schools. Every 7 years we must apply for reaccreditation. This involves a lengthy analysis of 12 standards together with an analysis of three academic areas. Our teachers are charged with developing the report. But we need input from you. Today, through Survey Monkey, I am releasing a questionnaire related to the 12 standards. I urge you to complete it. In addition to checking responses there is an opportunity for you to make comments and to indicate if CTC meets the standard. Meeting the standard doesn't mean that we are perfect but that we are in process of dealing with that standard. Survey Monkey will be open for 2 weeks. It will close September 27.

Thank you in advance for the support you show us by completing the survey.

Blessings,

Sister Sheila
