Fall Learning 2020 – Basic Q & A

Fall Learning Options

1. HYBRID LEARNING. Students will attend school in the building two days a week and virtually on Wednesdays, and they will receive homework/projects to do during their “off” days. Those will vary depending on the teacher, grade level, subject matter, etc.
   - Families choosing this option do not need to do anything at this point. Each school will be mailing home information packets next week.
   - Cohorts (M/T, Th/F) will be determined by the district based on a variety of factors including keeping families together, class sizes, etc. and will be released next week.
   - Class schedules for high school/middle school will be available on September 1st in PowerSchool.

2. VIRTUAL LEARNING. Families who wish to attend school fully virtually need to enroll in Academy 21. Go to http://ac21.clps.org/ and click on How to Enroll button or the Enroll Now slide. Watch the instructional video and then fill out the Google form.
   - If you have questions about being in Academy 21 and participating in band/choir or CTE programs, contact Jennifer Wickersham at wickershamj@clps.org or 586-510-2062.

School of Choice/Enrollment Questions

- To enroll as a new student or as a School of Choice student, go to clps.org. There is a popup that will direct you to the School of Choice information page, or you can click the School of Choice bubble on the left of the home page.
- Print the application and email it back to Enroll@clps.org. If you don’t have a scanner, you can take pictures of the pages and email them.

Miscellaneous

- School starts Tuesday, September 8, 2020. There may be a modified schedule that week.
- All CLPS students in grades K-12 will receiving a device (i.e., Chromebook). They will be distributed the first week of school after technology contracts are signed/returned.
- Specifics regarding mask use, cleaning schedule, busing, etc. are in our Preparedness and Response Plan – go to clps.org and click on the Preparedness & Response Plan bubble.
