"THE SPARTAN WAY – HAIL TO GARDEN SPOT!"

November 2018

Dear High School Parents,

I am officially sharing with you the news announced to faculty and staff earlier this week regarding the leadership changes at the Garden Spot Campus. As you may be aware, Mr. Starr transitions out of the Middle School Principal role to take on a new challenge at New Holland Elementary School. Mr. Starr's new role begins next week. As a result, I have been assigned overall responsibility for the Garden Spot Campus.

There will also be some shuffling of our Assistant Principals. Mr. Cox will relocate to the Middle School and serve students in Grades 7 and 8. Mr. Good will relocate to the High School and serve students in Grades 11 and 12. Ms. Hoffman will remain in her current role, serving students in Grades 9 and 10. We will officially make the transition between Mr. Cox and Mr. Good within the next few weeks prior to the winter holiday. With this new administrative model, we can better assure the continuity of curriculum and instruction, create even more consistency and predictability regarding behavioral expectations for students, and do so in a more programmatically flexible model that benefits students going forward.

In addition, I will no longer serve as the district's Athletic Director. By withdrawing from this role, I can focus my full attention on the secondary campus. The current Assistant Athletic Director / Athletic Trainer, Mr. Schaffer, will be promoted to the Athletic Director position. We will begin the search for his replacement in the coming weeks.

I am excited by the opportunities that this restructuring affords the Garden Spot Campus and the Eastern Lancaster County School District, and I look forward to serving in this new role. If you have any questions or concerns, please do not hesitate to contact me.

Respectfully,

Matthew J. Sanger
