Gather 'round

Stone Student Voice club sponsor Marypat Hradecky shows students how to use the new virtual reality technology the school recently acquired, thanks to a grant from the Addison School District 4 Foundation for Excellence. Hradecky applied for the grant to purchase the camera, goggles and software.

Exploring virtual reality

Above: These Stone Voice Club members take turns trying out the virtual reality goggles recently obtained by the school, thanks to an ASD4 grant.

Below: Two groups pose for selfies, one of the fun activities at Stone School as members of the Voice Club tried out the new virtual reality technology.
