Dear Parent/Guardian:

The educators in Henderson Co. are committed to providing a quality instructional program for your child. This letter is just one of the ways of keeping you informed of the education commitment of our schools and our district.

Our district receives federal funds for the Title I programs as a part of the Every Student Succeeds Act (ESSA). Under ESSA, you have the right to request information regarding the professional qualification of your child's teacher(s). If you request this information, the district will provide you with the following:

1. Whether the teacher has met the state requirement for licensure and certification for the grade levels and subject matters in which the teacher provides instruction;
2. Whether the teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived;
3. The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree; and
4. Whether your child is provided services by paraeducators, and if so, their qualifications.

If you would like to request this information, please contact Jo Swanson by phone at 270-831-5000 or by email at jo.swanson@henderson.kyschools.us. Please include your child's name, the name of the school your child attends, the name(s) of your child's teacher(s) and an address or email address where the information may be sent. Thank you for your interest and involvement in your child's education.

Sincerely,

Jo Swanson
Assistant Superintendent of Teaching and Learning
