

Coffee with Kane

A Family & School Connection

"Coffee with Kane"

SDGVA offers multiple opportunities this year for parents/guardians to join Executive Director –Dr. Christine Kane– to review updates on future school events, procedures and academic partnerships. Coffee with Kane is an open forum for parents/guardians to provide feedback and/or suggestions regarding our current academic programming decisions. These sessions are intended for current SDGVA families only! We host separate informational tours for prospective parents/guardians who would like to take a school tour for enrollment purposes.

Topic will remain the same for these dates. Select ONE to attend:

Time	Date
8:15am-9am	Tuesday September 25, 2018
5:15pm-6pm	Tuesday October 2, 2018

Time	Date
8:15-9am	Monday May 6, 2019
5:15-6pm	Monday June 3, 2019

U.S. Department of Education: Family & School Partnership Research
Over fifty years of educational research links to the positive role that families play in a child's education—as supporters of learning, encouragers of grit and determination, models of lifelong learning—with indicators of student achievement including grades, achievement test scores, lower drop-out rates, students' sense of personal competence, efficacy for learning, and students' beliefs about the importance of education. Family & school partnerships that view student achievement and school improvement as a shared responsibility create ideal conditions for students to flourish as academic & behavior leaders.

SDGVA's LCAP Goal #3: Engage parents as partners through education, communication, and collaboration, to ensure all students are college & career ready.
