May 2019

Dear Parents/Guardians:

Student participation in athletic and/or co-curricular activities is an important part of an education. We encourage students to participate in these supervised activities that enhance their school experience by building new skills, friendships and school spirit. With reductions to the funding of public schools, it is increasingly difficult to maintain these programs. For this reason, the Westfield Public School District is continuing to require a Student Activity Fee for the 2019-2020 school year.

I anticipate that the Student Activity Fee will cover 10% of the cost of Westfield's programs. The school district's budget will continue to pay the remaining costs.

The Student Activity Fee has been implemented since 2010 as a two-tier program. The guidelines and procedures for the 2019-2020 school year are on page 2 of this letter. For students participating in high school athletics, 8th grade sports, and high school and intermediate dramas and musicals, the fee will remain \$125. The fee for all other school sponsored clubs and activities at the intermediate and high school level, as well as participation in the elementary All-City Chorus, Band and Orchestra will remain \$60. The maximum annual fee per student remains \$125 regardless of the number of sports, dramas, musicals, clubs and other activities the student participates in during the entire school year.

If you have any questions, please speak with your school principal, coach or club advisor.

Best wishes for a successful school year.

Sincerely yours,

Margaret Dolan

Student Activity Fee Guidelines and Procedures for 2019 - 2020 School Year

1. Participants in dramas, musicals, athletics and/or co-curricular activities will be assessed a **one-time annual Student Activity Fee.**

- Tier 1 activities: \$125
High School: Dramas, Musical, Athletics
Intermediate: Dramas, Musical, 8th Grade Sports

Hi's Eye and Marching Band are exempt from the Student Activity Fee because they are part of the school curriculum.

- Tier 2 activities: \$60
High School: All clubs and activities not in Tier 1
Intermediate: All clubs and activities not in Tier 1
Elementary: All City Chorus, All City Band, All City Orchestra

2. The maximum annual fee per student will be \$125, regardless of how many sports, dramas, musicals, clubs and other activities the student participates in during the entire school year. Initial payment of \$60 for a Tier 2 activity may be supplemented with additional payment of \$65 if a student participates in a subsequent Tier 1 activity.

3. The Student Activity Fee does not guarantee or influence participation time in athletic games, specific positions on an athletic team, or specific roles in performances. Those decisions are the sole responsibility of the coaches, advisors and directors.

After payment of the Student Activity Fee, if a student is deemed ineligible for the activity, the activity fee will be refunded unless the student plans on participating in another activity during the school year. The parent must request a refund, in writing, to the building principal. Any student participant who leaves the activity or who is removed for disciplinary or scholastic deficiencies is not eligible for a refund.

4. The Student Activity Fee may be waived under certain circumstances. Students who are eligible for the Federal Free & Reduced Lunch Program are entitled to a waiver of this fee upon request, in writing, to the building principal. Families experiencing financial hardship should request waiver consideration by informing a coach, advisor or the building principal of their situation, whomever the parent prefers.

Students who do not participate in any Tier 1 or Tier 2 activities are not required to pay the Student Activity Fee.

5. Payment for **athletic team** participation – Student Activity Fee payments can only be made online. To participate in a sport go to:

- <https://westfieldhs-ar.schooltoday.com/> and click the Athletic Team Registration icon to register and complete the online payment process. If a student does not make a team, the fee will be refunded.
