Carol Stream, IL 60188

Evergreen Elementary School in Benjamin School District 25 will hold registration for kindergarten students on Thursday, March 7, 2019, from 4:00-7:00 P.M. This registration, for parents only, will be held in the kindergarten classrooms located at 1041 Evergreen Drive, Carol Stream. This year we are once again able to provide All-Day Kindergarten for our students.

This supports the district's mission statement, "To provide each child with the best educational opportunity to become a lifelong learner, achieve the highest personal growth, and be a contributing member of society."

To be eligible to attend kindergarten next fall, a child must be 5 years old on or before September 1. Parents are asked to bring their child's original county birth certificate, parent work phone numbers, emergency contact phone numbers, and doctor's phone number.

Fees for registration, milk or juice and bussing will need to be paid at this time. Fee payments may be made via cash, personal check, or credit card. All credit card charges will be processed through the RevTrak online software program. Someone will be available to assist you with this process.

District 25 residency policy requires parents or legal guardians to provide proof of residency when enrolling children. One document from Category I and two documents from Category II listed below should be brought to registration.

Category I: most recent property tax bill and proof of payment, mortgage papers (homeowners), signed and dated lease and proof of last month's payment, letter from manager and proof of last month's payment (e.g. canceled check or receipt (trailer park residents), letter of residence from landlord in lieu of lease, letter of residence to be used when the person seeking to enroll a student is living with a District resident.

Category II: valid driver's license, vehicle registration, voter's registration, current library card, current homeowners/renters insurance papers and premium payment receipt, most recent gas, electric, and/or water bill (telephone bill not acceptable), most recent cable television and/or credit card bill, receipt from moving van rental, current public

aid card, or mail received at new residences. All of these documents must show proper address.

Military personnel enrolling a student for the first time in the district must provide one of the following within 60 days after the date of student's initial enrollment: postmarked mail addressed to military personnel, lease agreement for occupancy, or proof of ownership of residence.

Military personnel wanting to keep child/ward enrolled in the district despite having changed residence due to a military service obligation: upon submitting a written request, the student's residence will be deemed to be unchanged for the duration of the custodian's military service obligation. The district, however, is not responsible for the student's transportation to or from school.

Anyone with a custody order seeking to enroll a student must present the court order, agreement, judgment, or decree that awards or gives custody of the student to any person (including divorce decrees awarding custody to one or both parents). A non-parent seeking to enroll a student must complete and sign Evidence Of Non-Parent's Custody, Control, and Responsibility Of A Student form.

If your child currently attends a preschool program at Evergreen School or PALS Best Buddies Preschool, a registration packet will be sent home one week in advance. Families who reside in district may pick up a Kindergarten registration packet on Thursday, February 28. Forms should be completed beforehand and brought to Kindergarten registration on Thursday, March 7.

All families including current Evergreen School preschoolers as well as current Best Buddies preschoolers are asked to attend the kindergarten registration on Thursday, March 7.

All incoming kindergarten students will be screened on Wednesday, March 13 between 2:30-5:30 P.M. Parents/guardians will sign up for a screening time at Kindergarten Round-Up.

The forms for child health, eye and dental examinations for kindergarten can be completed and turned in or mailed to the Evergreen School office any time before August 1, 2019. Forms will be available at registration and on the district's website, www.bendist25.org.
