

## “Goals and Motivation Equals Success!”

September 2019

The Elkhart Intermediate School wants to welcome you back to another great year. We hope you have had a great summer and are ready to get started on another year filled with academic excellence. Our teachers this year decided on a “Game” theme. If you have not completed your Zipp slip forms on-line please do so as soon as possible. All on-line forms were supposed to be completed before the first day of school.

The front of the school has a bus lane for pick-up and drop-off and a parking lot for teachers and school events. **Parent will not be allow to pick-up/drop-off students in the bus zone/staff parking area.** Car riders will continue to drop-off and pick-up in the same location as last year. You may access the car pick-up area by turning by the auditorium or come from the middle school campus. We ask that you **not** drop your student off away from the awning to avoid students crossing over in front of moving cars. This is to ensure your child’s safety at a time when we have a high volume of cars moving about in our parking lot and loading zone.

Parents please help us out by making sure your child knows **before** he/she comes to school where to go after school to avoid interruptions in the classroom giving last minute messages. If your child needs to ride the bus, tell them. If your child needs to ride a different bus than usual, **please** send a note with him/her. They will not be allowed on a different bus without a note from home. Students will turn their parent note into the office and the office will give them a note to give to the bus driver. We understand that emergencies arise that require you to call the office and give last minute messages. Please reserve last minute messages regarding a change in transportation to **emergency situations only!**

Sincerely,

Greg Herring, Principal

Elkhart Intermediate School
