It is a parish high school owned and operated by St. Dominic Parish and administered by the Principal. The Pastor and the Trustees govern St. Dominic Parish. Except for major policy changes and expenditures of large sums of money, the Principal, as Chief Administrator, is responsible for the operation of the school.

#### CUMULATIVE GPA AND CLASS RANK

Students are graded on a 0-100 point scale. Each course receives a final grade. A student's cumulative grade point average is then calculated according to the average of each final grade, with full credit courses being evaluated as a full grade and half credit courses being evaluated as half. Honors courses are weighted by 5% when calculating a cumulative GPA. College and AP courses are weighted by 10% when calculating a cumulative GPA.

#### MARKING PERIODS AND GRADE REPORTING

St. Dominic schedules a quarterly calendar year, with midterm exams in the middle of the year and final exams at the culmination. Final course grades are calculated using each quarter grade as 20% of the final course and the midterm and final exams each as 10% of the final course grade. 70 is the passing mark for all courses.

## STEM Scholars Program

St. Dominic High School implemented a STEM Scholars program in 2014. This rigorous four year program immerses students in courses rich in science, technology, engineering and mathematics. Students benefit from our partnerships

with the Dolan DNA Learning Center of Cold Spring Harbor Laboratory, Brookhaven National Laboratory and the Waterfront Center.

These collaborations, together with our state-of-the-art

science building, support the school mission of academic excellence.
