CBC Mission Trip Quick Facts

Chicago, IL

All of the CBC Mission Trips are coordinated and chaperoned by current members of the CBC faculty and/or staff. In addition to any service work, a MAJOR component of our mission trips is to immerse yourself into the culture and circumstances of the people you are serving. This is not a vacation, and you are not staying at a full service resort. That makes these trips a great opportunity to LIVE SIMPLY so that others may SIMPLY LIVE and to recognize the gifts available to us daily while also challenging ourselves to see where and how we could live without some of our luxuries when we return home.

Who? Two faculty chaperones will accompany up to 18 current CBC juniors who meet a minimum standard and are deemed best fit to represent CBC for such a trip.

What? Participants in this service/immersion trip will take part in experiences including (but not limited to) a visit to a homeless shelter, a prison ministry, food pantries, and schools.

When? May 11-15, 2020

Where? The Brother David Darst Center (click here for more information).

Why? To better understand the plight of the urban poor while working to make a positive difference in the circumstances of their lives.

How? All transportation will be provided via vans, and these vans will only be driven by CBC faculty/staff chaperones.

How Much? We try to keep our trips as reasonable as possible. This trip tends to run in the range of $500.
