

Huntington ISD Child Nutrition Charge Policy 2018-2019

For all campuses, student meals should be paid in advance or on a daily basis. Charging of meals may be allowed in the case of lost or forgotten lunch money, not due to financial hardships. If charging a meal is permitted, students will be provided one full meal with milk or juice only. Snacks and other beverages will not be charged. The maximum cumulative amount charged without payment is five meals. The five meal credit line allows time for parents to deposit funds owed into the child's account.

Students will be reminded to bring lunch money while in the serving line if payments are due. Parents may be notified through email or written notice.

If the maximum amount of meals (5) has been reached, the student will be offered an alternate meal at no charge. If charges exist, students may NOT use cash to purchase snacks or beverages. All delinquent fees must be paid prior to the last week of school. During the month of May charging may not be allowed.

If you have any questions regarding your child's account please contact the manager at your child's campus.
