NAVIGATING • TECHNOLOGY • TOGETHER

OUR MISSION:

Coming together to support & educate families as we navigate today's world of technology.

NTT Meeting #3

Thursday, April 17th, 6:30pm

St. Paul the Apostle School Media Center

What is it? An evening of **awareness** and **discussion** about technology that is affecting our children today, led by a group of concerned SPS parents who want to get the discussion started and share their experiences to benefit all families.

Please join us to hear information about:

How is my child's mental health being impacted by video games, social media, screen addiction, etc.

**Presented by Mental Health Therapist and former SPS parent, Lisa Beecher
mom of 3 (2 in high school and 1 in college)**

Discussion, q&a, and lots of resources!

Our last meeting of this school year will be
Thursday, May 23rd, 6:30pm
