Owasso Sixth Grade Center

Ways We Communicate

The Owasso Sixth Grade Center believes positive home/school relations are critical to the support and success of our school. It is our hope that improved communications with you will further strengthen that relationship. Our school utilizes a variety of tools to communicate directly with students and parents to ensure our messages are clear and you are connected to all that's going on at the Sixth Grade Center.

PowerSchool Parent Portal

Parent Portal is Owasso Public School District's electronic student management system where student information is collected and stored. The Portal is the "doorway" into the system giving access to information about your student(s).

- The PowerSchool Parent Portal gives parents and students access to real-time information that may include attendance, grades, and school bulletins. To access Parent Portal, go to <https://portal.owassops.org/public/>
- If you forgot your username and password, please see Mrs. Phelps in the front office or call at 918-274-3020. Parents without a PowerSchool Parent Portal account are encouraged to visit the front office with a photo ID to receive their account credentials.

InTouch Receipting

Owasso Public Schools is rolling out a new online program that will make it easier to pay for student fees, fundraisers, donations, field trips, and more. The system, known as In Touch, will provide a more convenient method for you to take care of payments for your student(s) without the worry of money being lost between home and school. Parents will have the ability to see their payment history anytime, online. In order for a parent to use the new InTouch system for online payments, they must have an account set up in the PowerSchool Parent Portal. This is the same system that allows parents to view their child's attendance, grades, classes, and more.

- Parents with an existing PowerSchool Parent Portal account should visit ok-owasso.intouchreceipting.com and follow the directions on the screen. Outstanding obligations - such as a lost textbook - must be paid first. Once obligations (if any) are fulfilled, parents will be able to select from a list of options including paying for elective class fees/dues and more.
- If sending money with a student, cash and checks handled at OPS campuses will be receipted through the InTouch system allowing parents to have access to digital receipts for all student purchases made at school.

School Website and Social Media

The Owasso Sixth Grade Center has a social networking and media site. Our Facebook site is www.facebook.com/Owasso6GC. Our website address is <https://6gc.owassops.org>. On our website, you can find our school calendar, bell schedules, parent portal access and announcements that keep you connected!

School Lunch

Check out www.owassops.org under the Department tab, choose Child Nutrition to see breakfast and lunch pricing, menus, 2019-2020 Free/Reduced Lunch online Applications, and easy access to paying your student's meals online.

Transportation

School Bus Routes and pick up/drop off times can be found at www.owassops.org. Look under the Parents Tab and choose Bus Routes. Or go to this link: <http://www.infofinderi.com/ifi/?cid=OPS48PMK3RI5>

If you have additional questions, please call 918-272-2231.
