April 10, 2020

Dear FCS Families,

I hope you are healthy and staying home to prevent the spread of coronavirus disease 2019 (COVID-19). As you may have heard, Governor Whitmer has extended the ‘Stay Home, Stay Safe’ executive order through April 30.

However, you can continue to leave your home to pick up food and groceries, to seek medical care, to exercise, and to care for others, among other essential tasks. To that end, Flint Community Schools will continue to provide food distribution services at this time, with a new schedule and added sites.

Food distribution will now take place on Tuesdays and Thursdays ONLY, from 10 a.m. to 1 p.m., though the exact same number of meals will be available. This allows us to limit contact while providing the same amount of food as before. We have also increased the number of locations to accommodate requests from parents. Beginning next week, these 12 sites will be available for your convenience:

**North Zone**
- Northwestern - G2138 W. Carpenter, Flint 48505
- Brownell/Holmes - 6602 Oxley Dr., Flint 48504
- Berston Field House - 3300 Saginaw St. Flint, 48505
- Carpenter Road - River Park Apartments 7002 Pemberton Dr., Flint, MI 48505

**Central Zone**
- Potter - 2500 N. Averill, Flint 48506
- DTM - 1518 W. Third Ave., Flint 48504
- Stonegate - 3103 Stonegate Dr., Flint, MI 48507
- Summerfield - 1360 Melbourne, Flint 48504

**South Zone**
- Freeman - 4001 Ogema, Flint 48507
- Howard Estates - 1928 Howard Ave., Flint, MI 48503
- Evergreen Regency - 3102 Fox Circle, Flint 48507
- Southwestern - 1420 W. Twelfth St., Flint 48507

Any updates or changes to the food distribution process will be communicated via robocall, the district website [FlintSchools.org](http://FlintSchools.org) and social media.
The district is also working closely with the Board of Education, union leaders and teachers to submit a Distance Learning Plan to the Genesee Intermediate School District. You will hear more about next steps from your child’s teacher next week. Please note, the Distance Learning Plan will include multiple modes of instruction so that all students can access learning, regardless of access to technology. We are committed to continued learning for every student and ask for your support in keeping your child on track.

Thank you for entrusting us with the care of your children.

Sincerely,

Anita J. Steward
Assistant Superintendent
