

6th GRADE SUPPLY LIST 2018-2019

Dear Future 6th Graders,

The 6th grade teachers would like to officially welcome you to 6th grade! We have compiled a list of materials that we would like you to bring on the first day of school. You will need these materials all year long. **Most of these supplies must be replaced periodically throughout the school year!** Please DO NOT purchase a planner for your child. One will be provided by the middle school.

All materials need to be marked with your name. Larger items such as notebooks and calculators definitely need to have your name on them, but even smaller items such as pencils last longer with your name.

We do not allow book bags or backpacks in the classroom. They should be small enough to fit in a locker (locker size: 9" wide, 10 ½" deep, and 34" tall).

We look forward to sharing your first year at Douglas Middle School.
