Parent and Guardians,

January 31, 2019

As Foothill High School undergoes modernization, we are excited to announce that we have a new parent drop-off and pick-up located on Foothill Road. The drop-off and pick-up will open to parents on February 12, 2019. Parents will head East on Foothill Road and turn right into the parent drop-off and pick-up. Parents will turn right onto Foothill Road to exit the parent drop-off and pick-up. Please see the map below for directions. Please utilize this drop-off and pick-up location. The front lot will no longer be open for parent drop-off or pick-up. Please let us know if you have any questions.

Thank you,

Gail Bentley
