October 4, 2018

Dear Sterling Elementary Parents and Families,

It is with mixed emotions that I write this letter to the parents and families of students at Sterling Elementary. I wanted to let you know personally about my decision to leave. This decision is bittersweet, as serving as Principal of Sterling has been a great honor and a defining part of my life.

It has been a pleasure partnering with you and so many of the other parents, teachers, students and staff. I truly believe that we have gathered a group of talented and passionate teachers and staff that together make up this school.

Please know that the Tooele County School District is committed to finding an exceptional leader to become the next principal of Sterling Elementary. I will remain the principal until October 12, 2018.

I appreciate happy memories I have made with the students, and I will always feel a part of the Sterling Elementary family.

Finally, I would like to thank Dr. Scott Rogers, the Tooele County School Board and, most of all, the Sterling Elementary families, for the opportunity to work toward the success of every child at our school.

As always, I thank you for your support of Sterling Elementary and our mission.

Sincerely,

Linda L. Clegg
Principal, Sterling Elementary
