Dear Parents and Guardians:

You are encouraged to acquaint yourself with the unique and outstanding programs each of our schools has to offer. While your student is assigned to a school-of-residence based on your address, you do have options through the intradistrict transfer process. Our policy on intradistrict transfers (transfers within our district) allows your student to request a transfer to one of our other schools.

The first priority for intradistrict transfers is for residents in the district's two Free Zones. At this time, the two Free Zones exist for Leigh and Branham only. If you reside in the White Oaks/Hogue Park area (Free Zone #1), your default school of residence is Leigh. If your option is a transfer to Branham, you must apply for an intradistrict transfer. If you reside in the area south of Blossom Hill/East of Camden Avenue (Free Zone #2), your school of residence is Branham. If your option is a transfer to Leigh, you must apply for an intradistrict transfer. Free Zone transfers are dependant upon site capacity.

All other transfer requests will be granted based on remaining school capacity. If requests exceed a site's capacity, priority will go to siblings of current students at that site. Applications for intradistrict transfer are available at each high school, the district office and online.

On behalf of the CUHSD Board of Trustees, each high school principal, and staff member, we look forward to meeting you and your student.

Sincerely,

Robert R. Bravo, Ed.D.
