

French AP Summer Project 2018

On poster board, you will create the front page of a newspaper in French. You may choose any theme that interests you. For example, if you like history, your page can be from the day after a particular historical event. If you like science fiction, you can create your own planet / world.

You may choose anything from paranormal investigations to Disney/Pixar movies. You are only limited by your own imagination. The project must include:

- The name of the newspaper
- A headline article (5 paragraph minimum)
- 2 to 3 smaller theme-related articles (minimum 3 paragraphs each)
- 2 to 3 theme-related advertisements
- Illustrations (drawn or computer generated)

All tenses learned to date *must be used*. This project will count as **2 test grades**. The due date is Monday, September 10th. **NO EXCUSES**.

If you have any questions or need any help, please e-mail me at karenann.esq@gmail.com or text me at (201) 463-0151. **DO NOT** use google translate (or any other translation site). Their grammar is awful and *I will know!!*

Be creative and have fun with it!!
