School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

The School Accountability Report Card was established by Proposition 98, an initiative passed by California voters. As you read this Report Card, you will gain a better understanding of Wayside as a school with a record for improvement, a faculty that is professionally skilled, highly qualified, and personally committed to meeting the individual learning needs of all students. We are also proud of our student body; they are motivated and determined to succeed. Wayside Elementary school is a TK-5 school of nearly 800 students, with close to 40% of those students being English Language Learners.

The vision and goals of Wayside Elementary School are to be an institute of high quality instruction and learning, where our students feel welcome and safe, are both challenged and supported to achieve their maximum potential, and are developed into life-long learners and productive members of society.

Wayside Elementary School's mission is to provide a caring, safe, high-achieving learning environment that promotes academic excellence for all students through the implementation of research-based instructional strategies, continuous professional learning and the involvement of all stake-holders in the learning process.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

| Teachers | School 2017-18 | School 2018-19 | School 2019-20 | District 2019-20 |
|--|----------------|----------------|----------------|------------------|
| With Full Credential | 32 | 28 | | |
| Without Full Credential | 3 | 5 | | |
| Teaching Outside Subject Area of Competence (with full credential) | 0 | 1 | | |

Teacher Misassignments and Vacant Teacher Positions

| Indicator | 2017-18 | 2018-19 | 2019-20 |
|--|---------|---------|---------|
| Misassignments of Teachers of English Learners | 0 | 0 | |
| Total Teacher Misassignments* | 0 | 0 | |
| Vacant Teacher Positions | 0 | 0 | |

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

School Facility Conditions and Planned Improvements (Most Recent Year)

Wayside School was built in 1949 and modernized in 1993. It sits on 8.15 acres of which 3.78 acres is playground. This school has 33 classrooms, a multi-purpose center, library, bookroom, two pre-k classrooms, reading lab, learning center, and office room. The campus also has a staff lounge and a workroom.

The custodial staff adheres to a weekly cleaning schedule that includes classrooms, restrooms, cafeteria and kitchen areas.

The District's Mobile Maintenance Team visits the school site at least twice a year. Maintenance emergencies are addressed immediately. District personnel maintain the grounds at least once every two weeks.

This site also is maintained to ensure a clean, safe, and functional facility as determined pursuant to a Facility Inspection Tool developed by the State of California Office of Public School Construction.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: 11/26/19

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

| Subject | School 2017-18 | School 2018-19 | District 2017-18 | District 2018-19 | State 2017-18 | State 2018-19 |
|---|----------------|----------------|------------------|------------------|---------------|---------------|
| English Language Arts/Literacy (grades 3-8 and 11) | 30 | 29 | 35 | 36 | 50 | 50 |
| Mathematics (grades 3-8 and 11) | 20 | 19 | 23 | 22 | 38 | 39 |

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

We believe that our parents/guardians are an extremely important and integral part of student learning at Wayside School. Wayside parents/guardians participate in a number of organizations including: School Site Council, District Advisory Committee, District English Learners Advisory Committee, and award winning Family and Community Engagement program. We provide a variety of educational opportunities for our parents/guardians such as classes in nutrition, navigating the school systems, and parenting skills. Our Principal, Dr. Capilla, holds monthly meetings for parents that cover such topics such as understanding student instructional tools, standards-based instruction, nutrition, developmental growth, and child abuse prevention. These monthly meetings also afford our parents/guardians multiple opportunities to ask questions about how they can effectively collaborate with our school and become active partners with us in the education of their children. Our parent groups organize, sponsor and attend several major activities and events including: Back-to-School Night, Family Fiestas, skating parties, field trips, quarterly awards ceremonies, Staff Appreciation luncheon, and our end-of-year programs.

Wayside has an active and supportive parent community along with a dynamic administrative support staff which work together to provide a full-range of services to learning community. Some of these services include translation, referrals for clothing, emergency food, medical and/or mental health treatment and counseling, other links for families to services in the community, and transportation to such services. Specifically, our children and parents/guardians participate in the Costco Star Readers Program, and Volunteer Center for food baskets at Thanksgiving and Christmas. Wayside has an active Parent Volunteer program and recruits and trains all parents and community members willing to partner with us. Parents can call our school office at (661) 631-5820 to access information concerning participation opportunities.

We have a three-hour After School Program that serves over 150 students each school day. Many opportunities occur each month for our After School parents/guardians to actively participate in such as assemblies on health, transportation, motivation, behavior, and character building. The ASP has three periods a day: homework, art/music, technology, and sports, and also holds fun activities like dances and field trips.

We have numerous individuals, businesses and clubs that support or sponsor our school such as Applebees, Panda Express, Dreyers, Bakersfield Kiwanis, Links Incorporated, Southwest Lanes, Blaze Pizza, Hungry Howie's, State Farm Insurance, Bakersfield Condors, Skateland, Macaroni Grill, and Golden Corral. Typically, these community organizations provide student incentives for excellent behavior, attendance, and academic achievement.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

| Rate | School 2016-17 | School 2017-18 | School 2018-19 | District 2016-17 | District 2017-18 | District 2018-19 | State 2016-17 | State 2017-18 | State 2018-19 |

| Suspensions | 1.2 | 1.0 | 0.6 | 2.1 | 2.3 | 2.1 | 3.6 | 3.5 | 3.5 |
| Expulsions | 0.0 | 0.0 | 0.0 | 0.1 | 0.1 | 0.1 | 0.1 | 0.1 | 0.1 |

School Safety Plan (School Year 2019-20)

Wayside established its Comprehensive School Safety Plan in 1998. A law enforcement officer specializing in safety provided direction in the establishment of the School Safety Plan. Wayside's School Safety Plan is current and is updated annually and the Wayside School Site Council approved the plan on Wednesday, May 8, 2019. The Safety Plan was discussed with the staff on May 15, 2019. Key elements of Wayside's School Safety Plan include the following: (a) routine and emergency disaster procedures; (b) suspension, and expulsion procedures; (c) teacher notification of pupils with a specific discipline history; (d) child abuse reporting procedures, (e) the district's sexual harassment policy; (f) school crime data; (g) the student dress code; (h) safe entrance and exit procedures; (i) the civil defense and disaster plan; and (j) discipline rules and procedures. Our overall goal is to maintain a safe and orderly school environment conducive to learning.

Professional Development (Most Recent Three Years)

| Measure | 2017-18 | 2018-19 | 2019-20 |
|---|---------|---------|---------|
| Number of school days dedicated to Staff Development and Continuous Improvement | | | |

Professional development is designed to provide continuous learning opportunities for administrators, teachers, and classified personnel. Training opportunities affirm the basic philosophy of education that learning is a lifelong process that contributes to the well-being of the students, teachers, administrators, and community. Professional Development is an essential component of effective instruction and student learning.

All training revolves around identified needs of students and adults for the purpose of the improvement of instruction and increasing content knowledge. Central to all training are student achievement data, district focus areas, the Common Core State Standards, the state adopted standards-based instructional materials, and strategies to effectively teach the academic content standards to all students.

We also provided extensive professional development for Professional Learning Communities through our Service Delivery Model. On-site coaching and support is provided by academic coaches and district specialists for reading/language arts, mathematics, science, writing and social emotional learning. The district provides time and resources for collaboration, planning, and professional development. Additionally, we provided professional development on Multi-Tiered Systems of Support and Support to school and district teams.

Teachers new to the District received four days of professional development prior to the beginning of the school year focused on orientation to District and school site policies and services, Common Core State Standards, classroom management, curriculum and pacing, using technology and setting up the classroom. Teachers in their second year with the District received two days of professional development prior to the beginning of the school year provided by the school site and focused on improving best practices.

New teachers with California preliminary credentials received professional development through the Bakersfield City School District (BCSD) Teacher Induction Program (TIP). The focus of BCSD TIP is being mentored by an experienced teacher, growing in the California Standards for the Teaching Profession (CSTP) and meeting the California Induction standards. The culmination of TIP is the recommendation for the CA Clear Credential. Each TIP teacher was assigned a veteran teacher who served as a mentor. The mentors received on-going professional development in coaching/mentoring strategies, instructional strategies, and guiding cycles of inquiry. Professional development was provided through individual mentoring, monthly meetings, and after-school workshops.

Intern teachers received professional development at monthly meetings focusing on the initial teaching skills of the CSTP including classroom management, lesson planning, assessment, and establishing a climate that is conducive to student achievement. Each Intern was assigned a mentor that provided day-to-day support in these areas as well as advisement toward meeting credential requirements. Mentors received monthly professional development in meeting the needs of Intern teachers. Interns also received coursework and supervision from universities partnered with BCSD to provide the Intern Program.

Teachers on Short Term Staffing Permits (STSPs) were provided mentors and monthly trainings on beginning pedagogy and best teaching practices. Each teacher on a STSP designed a plan to meet requirements to move to a CA Intern or Preliminary Credential. Support was provided for required testing and BCSD staff worked closely with university partners to ensure teachers on permits were taking prerequisite requirements to move to credentials.

Teachers on Provisional Intern Permits (PIPs) were provided a weekly cohort meeting focused on beginning pedagogy. Two cohort meetings occurred weekly to allow teachers on a PIP to work around university course schedules. Support was provided for required testing and BCSD staff worked closely with university partners to ensure teachers on permits were taking prerequisite requirements to move to credentials.
